EDUCATION

Vellore Institute Of Technology
B.Tech (AIML) - CGPA - 8.53

09 2023 – 05 2027

Bhopal, India

Children Sen Sec School
12th Class - Percentage - 75.4%

2021 – 2022

Azamgarh, India

Children Sen Sec School
10th Class - Percentage - 87.4%

2019 – 2020

Azamgarh, India

COURSEWORK / SKILLS

- OOPS Concept
- Basis of C++
- HTML
- JavaScript
- Basis of Python
- Basis of Java
- CSS
- Basis of AI and ML

PROJECTS

Face-Mask-Detector | OpenCV, TensorFlow, Keras, NumPy, CNN

03 2026

- Developed a real-time Face Mask Detection system using Computer Vision and Deep Learning techniques with OpenCV and TensorFlow, achieving accurate mask/no-mask classification..
- Implemented CNN-based image classification model and integrated it with webcam input for live face detection and prediction, demonstrating practical application of AI in public safety..

TECHNICAL SKILLS

Languages: Python, Java, C++

Developer Tools: VS Code, IntelliJ Idea Ultimate, Jupyter notebook

Technologies/Frameworks: GitHub, Bootstrap, Flutter

EXTRACURRICULAR

Hackathon

08 2024 – 08 2024

Role

VIT Bhopal

- Was in a technical team and handle the front-end part.
- Participation Certificate.

Zenith'24 by NOTION Community

08 2024 – 08 2024

Role

VIT Bhopal

- Participated in an event as an audience.
- Participation Certificate.

CERTIFICATIONS

- Introduction to Machine Learning - Great Learning
- Applied Machine Learning in Python - Coursera
- Google IT Support Certificate - Issued by Google Career Certificates
